

December 18th was a festive day at the food bank. Thanks to the amazing fundraising efforts of the cast and crew of the show Nightbooks (MaryAnne’s production) \$3000 was raised. With this we were able to include a \$25 Walmart gift card in the gift bag we gave to all the clients that day. They also received their choice of a ham, turkey, chicken or roast chicken. Socks collected and donated by Cobs Bread Bakery and earmuffs donated by Linen World were also offered. Thank you to everyone for your support on that day and every day since we opened our Food Bank in

August. Wishing you all a Happy New Year and here is to a brighter 2021. -
