SEE HOW WE'VE GROWN

of households served weekly

August 7: 8 households

September 11: 35 households

October 23: 51 households

November 20: 43 households

Plus 50 food boxes delivered weekly to Swansea Mews families.

Appointment Model started on November 20th: With the start of cold weather, we moved to appointments to access the Food Bank. Walk-ins were accommodated. Clients appreciated not having to line up outside and volunteers liked it too. We will continue with this model.
